

Owner	Technology	Engineer	Project Value
Enel Green Power North America Inc.	Trashrack System	The Turner Group	\$500,000

DESCRIPTION

The project included the removal of an existing trashrack system that had been damaged. Summit Metal Fabricators created a new Trashrack System. Additionally, existing sidewall concrete was modified, which was necessary for the successful completion of the project. The work was performed in a narrow 70 foot coffer dam requiring additional safety measures.

SCOPE OF SERVICES
 Summit Metal Fabricators created a new Trashrack System for this project at a Hydro-electric Dam in Lawrence, MA.
